Gentle & Relaxing White Light

**Mazda Soft White bulbs
bring a relaxing mood to any
room in your home.**

**Simply by changing to a
Soft White bulb you can replace
glare with a more subtle and
relaxing light.**

**In bedrooms and living rooms,
dining rooms and hallways, their
gentle white light adds an extra
touch of comfort.**

**Unlit, their clean, white looks are
more attractive than ordinary
bulbs and, as they are suitable for
lamps, wall and pendant light
fittings, every room in your home
can benefit.**

The new Mazda Soft White bulbs shed a gentle, white light to make your home more comfortable.

Use them to create a relaxing atmosphere in any room where you want even lighting without glare.

Mazda Soft White bulbs are available in 40, 60 and 100 watt twin packs all with bayonet fittings.
